## Using Google Drive to Edit and Save Documents

### Google Docs

You can download the Google Docs app to your device. This will allow you to open, edit, upload and send documents, including some set by the teacher in Google Classroom.

Google Docs: Work on Documents  
Edit, Share and Collaborate  
★★★★★ 76K  
OPEN

Work together in real time

You can download this in Apps.  
★★★★★ 70K

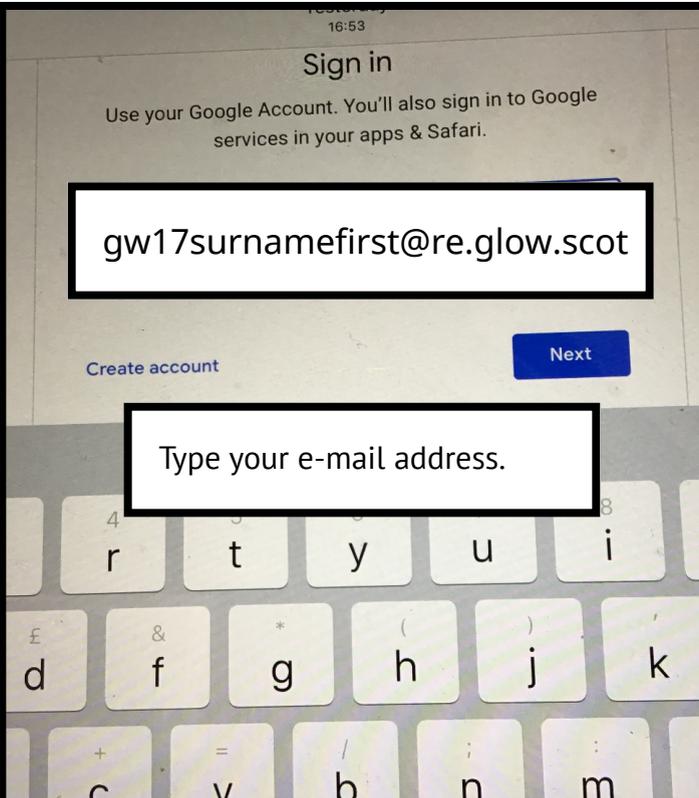

### Google Docs

Create and edit documents

It will ask which email account you want to use to use to progress.

Click on **Select Another Account** so that you can enter your Glow email address.

Select another account

### Attachments

 domino subtraction.docx  
Students can view file

 Page 11 and 12  
Each student will get a copy

Go to **Classwork** and then click **View Your Work**. Click on the assignment to open it.

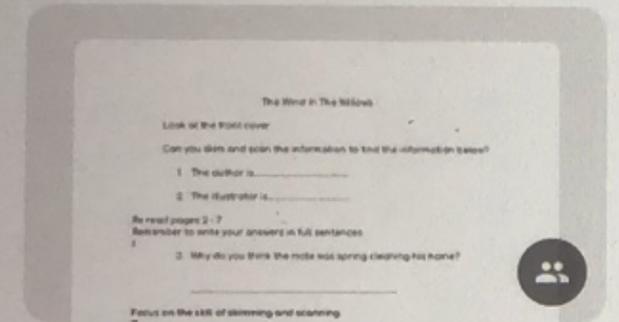

Open in "Docs"?

Cancel Open

You can now open the task in **Docs**.

Last opened by me ↓

The document will open, ready for you to type in your own text.

In The Willows (Pages 1 - 13)

The Wind In The Willows

at the front cover.

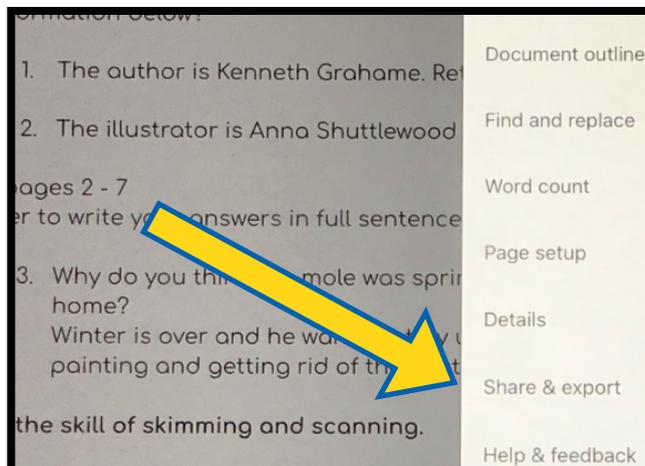

you skim and scan the information to find the information below?

The author is |

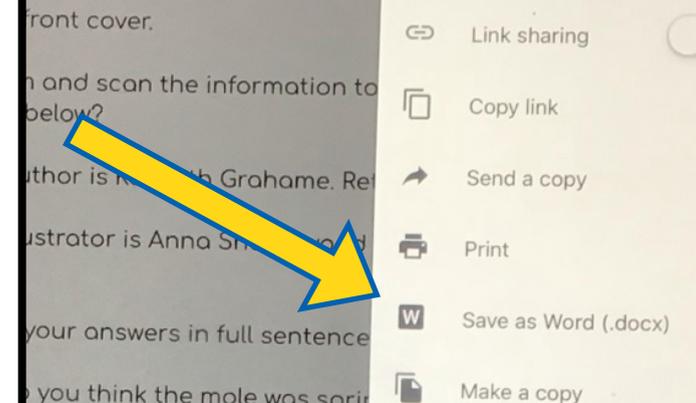

The illustrator is.....

Move the cursor to where you want to begin typing. Continue to type your answers/responses.

When finished, click on the 3 dots in the top right hand corner of the screen and scroll down to **Share And Export**.

Now **Save as Google Docs file** or **Save as Word**. It will automatically save, ready for you to upload the file and send it to the teacher.
